.967/44-45 Office of the Muzrai Commissioner in Mysore,
Bangalore, 13th June 1945.

V. Vedavyasacharya, Esq., B.A.,
Chief Secretary to the Government
of Mysore, Bangalore.

Sir,

Disposal of the dilapidated vacant building at Thovinkere, Koratagere Taluq, for parking the Ratha of Sri Venkataramana Swamy Temple.

---

1) I have the honor to state that the temple of Sri Venkataramanaswamy at Thovinkere, is a Village Muzrai Institution, and one Pandit Subbanna, who has constructed a ratha for the use of this temple, has come forward to repair the dilapidated building situated by the side of the temple which was previously used as a Police Outpost.

2) The Executive Engineer, who was consulted, has stated that the building in question is of an ordinary type, with country-tiled roofing, earth flooring, and crumbling walls, and that the cost of its repairs will be heavy, and that the same may be attached to the temple, and Pandit Subbanna permitted to effect necessary repairs and improvements to it.

3) The Inspector-General of Police, who was also consulted, is of the opinion that there is no objection to hand over the building to the Muzrai Department, as the outpost was abolished nearly 10 years ago, and there is no immediate prospect of ~~boarding~~ reopening that outpost; and that, the P.W.D., under whose control the building vested may be consulted, As already stated, the Executive Engineer has reported that the cost of repairs to the building will be very heavy, as it is in a dilapidated condition, and it might be handed over for the use of the temple.

4) The local officers recommend that the building may be handed over to Pandit Subbanna, who has undertaken to get it nicely repaired at his own cost, and give it to the temple for parking the 'Ratha' which has been donated by him. The Deputy Commissioner supports the recommendation of the local officers, and the Executive Engineer, Tumkur Division, and requests sanction for the above proposals.

5) In the circumstances above explained, I request that sanction of Government may kindly be obtained for the transfer of the dilapidated vacant building previously used for Police outpost at Thovinkere, to Sri Venkataramanaswami Temple at the place, free of cost.

Copies of letters of the Inspector-General of Police, and the Deputy Commissioner, and the entire connected records are herewith sent for favour of reference.

I have the honor to be,

Sir,

Your most obedient servant,

Muzrai Commissioner.

Letter No.M.C.855/44-45 dated 28th March 45 from the Deputy Commissior Tumkar District, to the Muzrai Commissioner in Mysore.

Subject:- Disposal of a vacant building belonging to Govt. at Thovinakere village, Koratagere Taluk for parking the Ratha of Sri Venkataramanaswami temple.

I have the honor to state that Sri Venkataramanaswami temple at Thovinakere is a village Muzrai Institution. One Mr. Pandit Subbanna of the place has constructed a wooden car for the use of the temple at his cost and has delivered the same to the temple authorities. To park this car, Pandit Subbanna has requested for the free grant of a vacant building situated by the side of the temple which was previously used as Police out-post and which is in a very dilapidated condition. Some of the villagers have asked for its disposal under darkhast rules, stating that they would bid to an extent of Rs 150 nearly. The mahomedans of the place also have requested that the building may be given away to them for their mosque. The Amildar, Koratagere taluk in his report No.M.C.5/44-45 dated 24-8-1944 has recommended the grant of this dilapidated building to the temple after getting it repaired through Pandit Subbanna as he has undertaken to repair this building at his own cost and to hand over the same to the temple authorities free. The Sub Division Officer, Madhugiri Sub Dn., in his report No.M.C.817/43-44 dated 13th September 1944 states that the building in question is in a very dilapidated condition that most of the villagers are agreeable for its disposal, to Pandit Subbanna for getting it repaired and that the same may be ordered to be attached to the temple, after the completion of its repairs. It is further suggested by him that the muslims of the place may be asked to select some other place for their masjid.

The Executive Engineer, Tumkur Dn., who was consulted in the matter of granting the vacant building to the applicant Pandit Subbanna, opines that the building is of an ordinary type with country tile roofing, earth flooring and crumbling walls, that the cost of its repairs will be very heavy to Government, that the same may be attached to the temple and that Pandit Subbanna may be permitted to effect necessary improvements to the same for parking the car as shown in the plan enclosed to the records.

I concur with the opinions of the Madhugiri Sub Division Officer and the Executive Engineer, Tumkur Dn., and I request your kind sanction for the free grant of the vacant building in question to the temple of Sri Venkataramanaswami and getting the same repaired through Pandit Subbanna of the place.

The connected papers on the subject are enclosed herein for ki perusal.

Disposal of dilapidated building used as Police Outpost at Thovinkere, Koratagere Taluk.

With reference to your No.Nl.PR.148/44-45 dated 4th April 1945 in the matter of the transfer of the vacant and dilapidated building used as Police outpost at Thovinkere village, Koratagere Taluk, I have the honor to state that there is no objection to hand over the building to the Muzrai Department as the Out-post was abolished nearly ten years back and there is no immediate prospect of re-opening the Outpost. Since the building in question is at present under the control of the Department of Public Works, the department concerned may kindly be addressed in the matter.
